We are pleased to inform you that we will participate to the fair EXA 2010 - 29th International Sporting Arms, Security and Outdoor Show - in Brescia, Italy from the 10th to the 13th of April 2010.

Come to visit us! We will be at the stand n° C06, where you will see our innovative ultra-light recoil pad, microCell, in addition to all the other accessories in rubber for hunting and shooting rifles.
